crisisresponse@efca.org

Dear Crisis Response Team Applicant:

In the wake of the Peru earthquakes, EFCA TouchGlobal Crisis Response has partnered with ADIEL (Evangelical Free Church of Peru) and ReachGlobal's Peru team to provide relief and recovery for the purpose of outreach, evangelism and church planting in Chincha, Peru. The ministry focus is to equip people, mobilize churches, and transform communities.

The earthquake consisted of two separate 7.9 and 8.1 quakes minutes apart. One of the affected provinces was the Ica province, where more than 200,000 people were impacted. In the city of Chincha, over 40,000 homes were either destroyed or seriously damaged. Many lives, homes, and families of the church have been devastated.

We are seeking teams of 6-20 people who have a heart for service and compassion, and resources to help show the love of Christ to those in need. Teams may be involved in rebuilding and a range of community ministry opportunities. Please direct all correspondence concerning Peru to the EFCA Crisis Response office in Covington, Louisiana, as we will be managing everything through this office.

Outlined below is the application and acceptance process:

1. Work with your local church pastor to select a point person who will serve as the team leader and single point of contact. We encourage multiple churches from an area to collaborate in sending a multi-church team. This team leader will help organize the necessary paperwork and arrangements.
2. After completing the following Crisis Response Team Application and meeting with your pastor, FAX this document back to 985-893-0175.

If you have any questions, please contact a Volunteer Coordinator at: **985.893.0218 x321** (if the answering machine comes on, just press 321) or email **crisisresponse@efca.org**

3. When we have received your application, your team leader will be contacted **within 5 working days** by a Volunteer Coordinator to confirm your dates based on current availability. Please check **<http://www.touchglobal.org/peru>** and then click on the "organize a team" link for the most up-to-date scheduling availability.
4. After confirmation, the team leader will receive a team packet by email with packing lists and other vital information. After arrival to the particular work site, the team is required to attend an on-site training the morning of their first work day.

Thanks for your willingness to serve God in this way.

Mark Lewis
Director, EFCA Crisis Response
